

CAMEL ESTUARY YOUTH SAILING

Over five years of providing professional sailing tuition to our local schools and helping the children to develop skills and confidence both on and off the water!
Can you help us to continue this good work with your donation?

The Camel Estuary Youth Sailing was first started when Sue Hudson raised the initial £1000 to fund 6 sailing lessons for 12 St. Minver children. Now the charity is going from strength to strength with ever more interest from school children, support and enthusiasm from parents and also friends of the charity. Our fleet of Pico dinghies with their distinctive sails is now a very familiar sight on the Camel Estuary throughout the year. **CEYS FUNDRAISING!** This year many of the club members, parents and friends organised events to raise money for the CEYS club. If anyone has any ideas on fundraising events in the future, we would love to hear from you so please get in touch!

FINANCES NEED A BOOST
Despite the general financial situation, we have been able to maintain our level of activity. However, this year our expenses have exceeded our income and we have had to rely on our reserves. Although we realise these are difficult times, we need to seek further donations to meet the ever increasing demands of local children who wish to learn to sail. If you are able and would like to donate and are UK taxpayers, we can claim Gift Aid. A copy of the form is available on the current Newsletter to submit with your donation. Thank you for your support for this very worthwhile cause! CEYS Newsletter is available from Tim Lunt at the address below.
